Independent Auditors' Report

To the Members of
Elixir Equities Private Limited

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **Elixir Equities Private Limited** ("**the Company**"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit & Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, **the loss** and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

ELIXIR EQUITIES PRIVATE LIMITED

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

ELIXIR EQUITIES PRIVATE LIMITED

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

ELIXIR EQUITIES PRIVATE LIMITED

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we further report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account;
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;

ELIXIR EQUITIES PRIVATE LIMITED

- e) On the basis of written representations received from the directors as on March 31, 2026, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure A** to this report;
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position; as such the question of commenting on disclosing impact of any such litigation in its Standalone Financial Statements does not arise;
 - ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii. There was no amount due to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.
 - iv.
 - a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries")
 - or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

ELIXIR EQUITIES PRIVATE LIMITED

- c) Based on such audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause a) and b) contain any material mis-statement.
 - v. The dividend declared or paid during the year by the Company is in compliance with Section 123 of the Act.
 - vi. Based on our examination which included test checks, the company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ELIXIR EQUITIES PRIVATE LIMITED

Annexure - A to Independent Auditors' Report

Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Elixir Equities Private Limited ("the Company") of even date.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls over financial reporting of **Elixir Equities Private Limited ("the Company")** as of 31 March, 2026 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies' Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that

ELIXIR EQUITIES PRIVATE LIMITED

a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

ELIXIR EQUITIES PRIVATE LIMITED

Annexure - B to the Independent Auditors' Report

Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Elixir Equities Private Limited ("the Company") of even date

- (i) a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) the Company has maintained proper records showing full particulars of intangible asset.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, Company has a regular program of physical verification of its Property, Plant and Equipment by which all Property, Plant and Equipment are verified in a phased manner. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, plant and equipment or Intangible assets or both during the year.
- e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventory of the Company consists of shares and securities which have been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate of inventory.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company **has been sanctioned working capital limits** in excess of five crore rupees, in

ELIXIR EQUITIES PRIVATE LIMITED

aggregate, from banks or financial institutes on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks are in agreement with the books of account of the Company.

- (iii) As per the information and explanations given to us and records produced to us for our verification, during the year, the Company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Therefore, the provisions of clause 3(iii) of the said Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us the Company has complied with the provisions of sections 185 and 186 of the Act, with respect to the loans, investments and guarantees made.
- (v) The Company has not accepted any deposits from the public within the meaning of the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act and the rules framed there under.
- (vi) The maintenance of cost records sub-section (1) of section 148 of the Companies Act, 2013 is not applicable to the Company.
- (vii) (a) In our opinion and according to the information and explanations given to us, the Company is generally regular in depositing undisputed statutory dues including Employees State Insurance, Provident Fund, Professional Tax, Income Tax, Goods And Service Tax, Customs Duty, Cess and other statutory dues with appropriate authorities to the extent applicable to it. There are no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Taxes, Wealth Tax Customs Duty, Cess and other material statutory dues were in arrears as at 31 March, 2026 for a period of more than six months from the date they become payable.

(b) According to the information and explanations given to us, there are not any statutory dues referred in sub-clause (a) which have not been deposited on account of dispute. Therefore, the provisions of Clause (vii)(b) of paragraph 3 of the Order are not applicable to the Company.
- (viii) In our opinion and according to the information and explanations given to us, there is no any transaction not recorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ELIXIR EQUITIES PRIVATE LIMITED

- (ix) (a) According to information and explanations given to us and based on examination of the records, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any financial institutions and banks during the year.
- (b) According to information and explanations given to us and on the basis of our audit procedures, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) In opinion and according to the information and explanations given to us, the Company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained.
- (d) According to information and explanations given to us and on the basis of our audit procedures performed by us, and on an overall examination of the financial statements of the Company, no funds raised on short-term basis have, prima facie, been used during the year for long-term purposes by the Company.
- (e) According to information and explanations given to us and on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) According to information and explanations given to us and on the basis of our audit procedures performed by us, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries.
- (x) (a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments). Therefore, the provisions of Clause (x)(a) of paragraph 3 of the Order are not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us, the Company has not made preferential allotment or private placement of shares during the year and the requirements of section 42 and section 62 of the Companies Act, 2013 have been complied with and the funds raised have been used for the purposes for which the funds were raised.
- (xi) (a) We have not noticed any case of fraud by the Company or any fraud on the Company by its officers or employees during the year. The management has also not reported any case of fraud during the year.

ELIXIR EQUITIES PRIVATE LIMITED

- (b) During the year no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As auditor, we did not receive any whistle- blower complaint during the year.
- (xii) The Company is not a Nidhi Company. Therefore the provisions of clause 3(xii) of the Order are not applicable to the Company.
- (xiii) As per the information and explanations received to us all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act where applicable, and the details have been disclosed in the financial statements, etc., as required by the applicable accounting standards. Identification of related parties were made and provided by the management of the Company
- (xiv) The Company is not covered by section 138 of the Companies Act, 2013, related to appointment of internal auditor of the Company. Therefore, the Company is not required to appoint any internal auditor. Therefore, the provisions of Clause (xiv) of paragraph 3 of the Order are not applicable to the Company.
- (xv) The Company has not entered into any non-cash transactions with directors or persons connected with him for the year under review. Therefore, the provisions of Clause (xv) of paragraph 3 of the Order are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

(b) The Company has not conducted any Non-Banking Financial or Housing Finance activities during the year.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.

(d) As per the information and explanations received, the group does not have any CIC as part of the group.
- (xvii) The Company has not incurred cash loss in current financial year as well as in immediately preceding financial year.

ELIXIR EQUITIES PRIVATE LIMITED

(xviii) There has been no resignation of previous statutory auditors during the year.

(xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) In our opinion and according to the information and explanations given to us, there is no unspent amount towards Corporate Social Responsibility (CSR) under sub-section (5) of Section 135 of the Companies Act, 2013 pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

ELIXIR EQUITIES PRIVATE LIMITED

NOTES ON STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2026.

Note 1

CORPORATE INFORMATION

Elixir Equities Private Limited ('the Company') is a subsidiary of Elixir Capital Limited, a listed entity incorporated in India. The registered office of the Company is located at 58 Mittal Chambers, 5th Floor, 228 Nariman Point Mumbai – 400021. India.

The Company is engaged in the business of investing in shares & securities and of providing services of capital market research and analysis.

Note 2

BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS).

The financial statements have been prepared on a historical cost basis, except certain assests and liabilities, which are measured at fair value/amortised cost.

The financial statements are presented in Indian Rupees (₹), which is the Company's functional and presentation currency and all values are rounded to the nearest thousand with two decimal, except when otherwise indicated.

Note 2.1

SUMMARY OF SIGNIFICANT ACCOUNTING POLICES

(a) Property, plant and equipment

Property, plant and equipment are carried at cost of acquisition or construction, net of Cenvat/Value added tax less accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price, borrowing cost and any cost directly attributable to the bringing the assets to its working condition for its intended use.

Depreciation on the property, plant and equipment is provided using straight line method over the useful life of assets as specified in schedule II to the Companies Act, 2013. Depreciation on property, plant and equipment which are added during the year, is provided on pro-rata basis succeeding to the month of addition. Freehold land is not depreciated.

The assets 'residual values, useful lives and method of depreciation are reviewed at each financial year end and are adjusted prospectively, if appropriate.

Capital work-in-progress includes cost of property, plant and equipment under installation as at the balance sheet

ELIXIR EQUITIES PRIVATE LIMITED

date.

Property, plant and equipment are eliminated from financial statement, either on disposal or when retired from active use. Profits/losses arising in the case of retirement/ disposal of property, plant and equipment are recognized in the statement of profit and loss in the year of occurrence.

Leasehold lands are amortised over the period of lease. Buildings constructed on leasehold land are depreciated based on the useful life specified in schedule II to the Companies Act, 2013, where the lease period of land is beyond the life of the building. In other cases, buildings constructed on leasehold lands are amortised over the primary lease period of the lands.

(b) Intangible Assets

Intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the intangible assets.

Identifiable intangible assets are recognised when it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be reliably measured.

Computer software are capitalized at the amounts paid to acquire the respective license for use and are amortised over the period of useful lives or period of three years, whichever is less. The assets useful lives are reviewed at each financial year end.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognized.

(c) Inventories:

Inventories of the Company consists of Shares and Securities and are measured at lower of cost and net realisable market value.

(d) Employee Benefits Expense

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services

Post- Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions

ELIXIR EQUITIES PRIVATE LIMITED

to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plans

The Company operates a gratuity plan, a defined benefit plan covering eligible employees, in accordance with the Payment of Gratuity Act, 1972. Under this plan, eligible employees are entitled to gratuity based on the number of completed years of service, subject to a minimum qualifying period, payable at the time of separation from the Company or retirement, whichever is earlier.

The liability recognised in the Balance Sheet in respect of the gratuity plan is the present value of the defined benefit obligation at the balance sheet date, as reduced by the fair value of plan assets, where applicable. The defined benefit obligation is calculated annually by an independent actuary using the Projected Unit Credit Method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using market yields on government bonds that are denominated in the currency in which the benefits will be paid, and that have terms approximating to the terms of the related obligation.

Service cost (comprising current service cost, past service cost, and gains or losses on curtailments and settlements) and net interest expense or income is recognised in the Statement of Profit and Loss.

Share-based payments

Equity-settled share-based payments to employees are measured by reference to the fair value of the equity instruments at the grant date. The fair value so determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the estimate of the equity instruments that will eventually vest, with a corresponding increase in the equity-settled share-based payment reserve. At the end of each reporting period, estimates of the number of options expected to vest based on the vesting conditions is carried out. The impact of the revision to original estimates, if any, is recognized in the statement of profit and loss, with a corresponding liability to the Holding Company.

(e) Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax authorities, based on tax rates and laws that are enacted at the Balance sheet date.

ELIXIR EQUITIES PRIVATE LIMITED

ii) **Deferred tax**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

(f) **Revenue Recognition**

Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.

Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed.

Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Interest Income

Interest Income from a financial asset is recognised using effective interest rate method.

Dividend

Revenue is recognised when the Company's right to receive the payment has been established.

(g) **Earning per share**

Basic earnings per share is computed using the net profit for the year attributable to the shareholders and weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholder and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year

ELIXIR EQUITIES PRIVATE LIMITED

or date of issuance of such potential equity shares, to the date of conversion.

(h) **Current and Non-current classification**

The Company presents assets and liabilities in statement of financial position based on current/non-current classification.

The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

An asset is classified as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle.
- b) Held primarily for the purpose of trading.
- c) Expected to be realized within twelve months after the reporting period, or

All other assets are classified as non-current.

A liability is classified as current when it is:

- a) Expected to be settled in normal operating cycle,
- b) Held primarily for the purpose of trading,
- c) Due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has identified twelve months as its normal operating cycle.

(i) **Provisions, Contingent Liabilities, Contingent Assets and Commitments:**

Provisions are recognised when the Company has a present obligation (legal or Constructive) as a result of a past even. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognized in the statement of profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of

ELIXIR EQUITIES PRIVATE LIMITED

which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognized. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognized as an asset.

(j) Dividend Distribution:

Annual dividend distribution to the shareholders is recognized as a liability in the period in which the dividends are approved by the shareholders. Dividend payable and corresponding tax on dividend distribution is recognized directly in other equity.

(k) Financial Instruments

i) Financial Assets

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement

a) Financial assets measured at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets as fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

C. Investment in subsidiaries, associates and joint ventures

ELIXIR EQUITIES PRIVATE LIMITED

The Company has accounted for its investments in subsidiaries, associates and joint venture at cost.

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

ii) Financial Liabilities

A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Note 2.2

SIGNIFICANT ACCOUNTING JUDGMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the Company's financial statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a) Depreciation / amortisation and useful lives of property plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

b) Recoverability of trade receivables

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of

ELIXIR EQUITIES PRIVATE LIMITED

non-payment.

c) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

d) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

e) Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

ELIXIR EQUITIES PRIVATE LIMITED

ELIXIR EQUITIES PRIVATE LIMITED

Terms / Rights attached to Equity Shares

The Company has one class of equity shares having a par value of Rs. 10 each. Each shareholder is eligible for one vote per share held.

The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

Nature and purpose of Other Reserves

a) Capital Redemption Reserve

As per Companies Act, 2013, capital redemption reserve is created when company purchases its own shares out of free reserves or securities premium. A sum equal to the nominal value of the shares so purchased is transferred to capital redemption reserve. The reserve is utilised in accordance with the provisions of section 69 of the Companies Act, 2013.

ELIXIR EQUITIES PRIVATE LIMITED

	As at 31-Mar-2026 Rupees('000)	As at 31-Mar-2025 Rupees('000)
b) Securities Premium Account		
Securities Premium Account is used to record the premium on issue of shares. The reserve will be utilised in accordance with the provisions of The Companies Act, 2013.		
c) General reserve		
The general reserve is a free reserve which is used from time to time to transfer profits from / to retained earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to statement of profit and loss.		
d) Retained earnings		
This reserve represents undistributed accumulated earnings of the Group as on the balance sheet date.

ELIXIR EQUITIES PRIVATE LIMITED

30 Financial risk management objectives and policies

The main risks arising from Company's use of financial instruments are liquidity risk, credit risk and foreign exchange risk. The Company does not hold or issue derivative financial instruments for trading purposes or in the risk management activities. Policies for managing these risks are summarized below.

Liquidity risk

Liquidity risk is the risk that the Company will not meet future financial obligations due to a shortage of funds. The Company's financing activities are managed centrally by maintaining an adequate level of cash and cash equivalents to finance the Company's operations. The Company's surplus funds are also managed centrally by placing them with reputable financial institutions on varying maturities. The Company does not use derivatives and other instruments in its risk management activities.

The table below separates the Company's financial assets and liabilities into relevant maturity groupings based on their contractual maturities. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Credit risk

Credit risk arises from cash and cash equivalents, investments, trade receivables and other financial assets. The Company estimates losses on receivables based on expected losses, including historical experience of actual losses.

There are no significant concentrations of credit risk, whether through exposure to individual customers and/or specific industry sectors. As at March 31, 2025 and 2024 no material financial assets were past due or impaired. The Company only deposits cash with major banks with high quality credit standing and limits exposure to any one counter-party.

ELIXIR EQUITIES PRIVATE LIMITED

Foreign exchange risk:

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities. The Company has foreign exchange risk related to revenues in foreign exchange however, that risk is not material.

31 Capital management

The Company considers share capital and all other equity reserves as capital. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the Company's needs.

	488,078.15	488,078.15	333,952.36	333,952.36

The carrying amounts of current financial assets and current financial liabilities are considered to be the same as their fair values, due to short-term nature.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The fair values of long term loans, security deposits and investments were calculated based on cash flows discounted using as current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.

As the borrowings of the Company are on floating rates the carrying value of the borrowing is equal to fair value. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs including own credit risk.

ELIXIR EQUITIES PRIVATE LIMITED

In case of non current assets, due to non materiality, the Company has shown the investments at its carrying cost.

For non current items, the difference between the fair value and carrying amount is not material. Accordingly, carrying value has been taken as fair value for such items.

33 Events after the Reporting Period

The Board of Directors have recommended dividend of Rs. 5.75 per fully paid up equity share of Rs. 10/- each, aggregating Rs. 100.91 lakhs including Rs. Nil Dividend distribution tax for the financial year 2025-26, which is based on relevant share capital as on 31st March, 2026. The actual dividend amount will be dependent on the relevant share capital outstanding as on record date/book closure.

34 Figures for the previous year have been regrouped/reclassified/reinstated, wherever considered necessary.

35 Approval of Financial Statements

The Financial Statements were approved for issue by the Board of Directors on 29th May, 2026.

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

Independent Auditors' Report

To the Members of
Elixir Wealth Management Private Limited

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **Elixir Wealth Management Private Limited ("the Company")**, which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit & Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, **the profit** and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material Misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we further report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account;
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

- e) On the basis of written representations received from the directors as on March 31, 2026, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure A** to this report;
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position; as such the question of commenting on disclosing impact of any such litigation in its Standalone Financial Statements does not arise;
 - ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii. There was no amount due to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.
- iv. a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries")
 - or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c) Based on such audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause a) and b) contain any material mis-statement.

v. The company has not declared or paid any dividend during the year.

vi. Based on our examination which included test checks, the company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

Annexure - A to Independent Auditors' Report

Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Elixir Wealth Management Private Limited ("the Company") of even date.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls over financial reporting of **Elixir Wealth Management Private Limited ("the Company")** as of 31 March, 2026 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies' Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

Annexure - B to the Independent Auditors' Report

Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Elixir Wealth Management Private Limited ("the Company") of even date

- (i) a) The Company neither holds any Property, Plant and Equipment nor has any intangible asset. Therefore, the provisions of Clauses (i) (a) (A) and (i) (a) (B) of paragraph 3 of the Order are not applicable to the Company.
- b) In view of the Company having no Property, Plant and Equipment and intangible asset, the provisions of sub-clauses (b) (c) and (d) of Clause (i) of paragraph 3 of the Order are not applicable to the Company.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventories include shares and securities which have been physically verified by the management at reasonable intervals during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by the management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate of inventory.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company, during any point of time of the year, has not taken any working capital limits/facilities from banks or financial institutes on the basis of security of current assets. Therefore, the provisions of Clause (ii)(b) of paragraph 3 of the Order are not applicable to the Company.
- (iii) As per the information and explanations given to us and records produced to us for our verification, during the year, the Company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Therefore, the provisions of clause 3(iii) of the said Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us the Company has complied with the provisions of sections 185 and 186 of the Act, with respect to the loans, investments and guarantees made.
- (v) The Company has not accepted any deposits from the public within the meaning of the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act and the rules framed there under.
- (vi) The maintenance of cost records sub-section (1) of section 148 of the Companies Act, 2013 is not applicable to the Company.

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

- (vii) (a) In our opinion and according to the information and explanations given to us, the Company is generally regular in depositing undisputed statutory dues including Employees State Insurance, Provident Fund, Professional Tax, Income Tax, Goods And Service Tax, Customs Duty, Cess and other statutory dues with appropriate authorities to the extent applicable to it. There are no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Taxes, Wealth Tax Customs Duty, Cess and other material statutory dues were in arrears as at 31 March, 2026 for a period of more than six months from the date they become payable.
- (b) According to the information and explanations given to us, there are not any statutory dues referred in sub-clause (a) which have not been deposited on account of dispute. Therefore, the provisions of Clause (vii)(b) of paragraph 3 of the Order are not applicable to the Company.
- (viii) In our opinion and according to the information and explanations given to us, there is no any transaction not recorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- (ix) (a) In our opinion, according to the information and explanations given to us, and records produced to us for our verification, the Company took a loan from its holding company and it has not defaulted in its repayment and interest thereon.
- (b) The Company has not been declared a wilful defaulter by any ban or financial institution or government or government authority.
- (c) The Company has not obtained any term loans. Accordingly, clause 3(ix)(c) of the Order is not applicable.
- (d) In our opinion, according to the information and explanations given to us, and records produced to us for our verification funds raised on short term basis have not been utilised for long term purposes.
- (e) and (f) The Company has no subsidiary, accordingly, clauses 3(ix)(e) and 3(ix)(f) of the Order are not applicable.
- (x) (a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments). Therefore, the provisions of Clause (x)(a) of paragraph 3 of the Order are not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us, the Company has not made preferential allotment or private placement of shares during the year and the requirements of section 42 and section 62 of the Companies Act, 2013 have been complied with and the funds raised have been used for the purposes for which the funds were raised.

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

- (xi) (a) We have not noticed any case of fraud by the Company or any fraud on the Company by its officers or employees during the year. The management has also not reported any case of fraud during the year.
- (b) During the year no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As auditor, we did not receive any whistle-blower complaint during the year.
- (xii) The Company is not a Nidhi Company. Therefore the provisions of clause 3(xii) of the Order are not applicable to the Company.
- (xiii) As per the information and explanations received to us all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act where applicable, and the details have been disclosed in the financial statements, etc., as required by the applicable accounting standards. Identification of related parties were made and provided by the management of the Company.
- (xiv) The Company is not covered by section 138 of the Companies Act, 2013, related to appointment of internal auditor of the Company. Therefore, the Company is not required to appoint any internal auditor. Therefore, the provisions of Clause (xiv) of paragraph 3 of the Order are not applicable to the Company.
- (xv) The Company has not entered into any non-cash transactions with directors or persons connected with him for the year under review. Therefore, the provisions of Clause (xv) of paragraph 3 of the Order are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities during the year.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
- (d) As per the information and explanations received, the group does not have any CIC as part of the group.
- (xvii) The Company has not incurred cash loss in current financial year as well as in immediately preceding financial year.
- (xviii) There has been no resignation of previous statutory auditors during the year.

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) There is no liability of the Company under the provisions of section 135 of the Companies Act, relating to Corporate Social Responsibility. Therefore, the provisions of Clause (xx) of paragraph 3 of the Order are not applicable to the Company.

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

NOTES ON STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2026.

Note 1

CORPORATE INFORMATION

Elixir Wealth Management Private Limited ('the Company') is an entity incorporated in India. The registered office/ corporate office of the Company is located at 58 Mittal Chambers, 5th Floor 228 Nariman Point Mumbai – 400021. India.

The Company is engaged in the business of investing in shares & securities and of providing services of capital market research and analysis.

Note 2

BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS).

The financial statements have been prepared on a historical cost basis, except certain assets and liabilities, which are measured at fair value/amortised cost.

The financial statements are presented in Indian Rupees (₹), which is the Company's functional and presentation currency and all values are rounded to the nearest thousand with two decimal, except when otherwise indicated.

Note 2.1

SUMMARY OF SIGNIFICANT ACCOUNTING POLICES

(a) Property, plant and equipment

Property, plant and equipment are carried at cost of acquisition or construction, net of Cenvat/Value added tax less accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price, borrowing cost and any cost directly attributable to the bringing the assets to its working condition for its intended use.

Depreciation on the property, plant and equipment is provided using straight line method over the useful life of assets as specified in schedule II to the Companies Act, 2013. Depreciation on property, plant and equipment which are added during the year, is provided on pro-rata basis succeeding to the month of addition. Freehold land is not depreciated.

The assets 'residual values, useful lives and method of depreciation are reviewed at each financial year end and are adjusted prospectively, if appropriate.

Capital work-in-progress includes cost of property, plant and equipment under installation as at the balance sheet date.

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

Property, plant and equipment are eliminated from financial statement, either on disposal or when retired from active use. Profits/losses arising in the case of retirement/ disposal of property, plant and equipment are recognized in the statement of profit and loss in the year of occurrence.

Leasehold lands are amortised over the period of lease. Buildings constructed on leasehold land are depreciated based on the useful life specified in schedule II to the Companies Act, 2013, where the lease period of land is beyond the life of the building. In other cases, buildings constructed on leasehold lands are amortised over the primary lease period of the lands.

(b) Intangible Assets

Intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the intangible assets.

Identifiable intangible assets are recognised when it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be reliably measured.

Computer software are capitalized at the amounts paid to acquire the respective license for use and are amortised over the period of useful lives or period of three years, whichever is less. The assets useful lives are reviewed at each financial year end.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognized.

(c) Inventories:

Inventories of the Company consists of Shares and Securities and are measured at lower of cost and net realisable market value.

(d) Employee Benefits Expense

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services

Post- Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

Fund and Pension Scheme. The Company's contribution is recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

(e) Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax authorities, based on tax rates and laws that are enacted at the Balance sheet date.

ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

(f) Revenue Recognition

Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.

Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed.

Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Interest Income

Interest Income from a financial assets is recognised using effective interest rate method.

Dividend

Revenue is recognised when the Company's right to receive the payment has been established.

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

(g) Earning per share

Basic earnings per share is computed using the net profit for the year attributable to the shareholders and weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholder and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

(h) Current and Non-current classification

The Company presents assets and liabilities in statement of financial position based on current/non-current classification.

The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

An asset is classified as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle.
- b) Held primarily for the purpose of trading.
- c) Expected to be realized within twelve months after the reporting period, or

All other assets are classified as non-current.

A liability is classified as current when it is:

- a) Expected to be settled in normal operating cycle,
- b) Held primarily for the purpose of trading,
- c) Due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has identified twelve months as its normal operating cycle.

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

(i) Provisions, Contingent Liabilities, Contingent Assets and Commitments:

Provisions are recognised when the Company has a present obligation (legal or Constructive) as a result of a past event. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognized in the statement of profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognized. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognized as an asset.

(j) Dividend Distribution:

Annual dividend distribution to the shareholders is recognized as a liability in the period in which the dividends are approved by the shareholders. Dividend payable and corresponding tax on dividend distribution is recognized directly in other equity.

(k) Financial Instruments

i) Financial Assets

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement

a) Financial assets measured at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

b) Financial assets as fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

C. Investment in subsidiaries, associates and joint ventures

The Company has accounted for its investments in subsidiaries, associates and joint venture at cost.

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

ii) Financial Liabilities

A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Note 2.2

SIGNIFICANT ACCOUNTING JUDGMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the Company's financial statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a) Depreciation / amortisation and useful lives of property plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

b) Recoverability of trade receivables

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

c) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

d) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

e) Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

xiii. Corporate Social Responsibility (CSR)

The provision of Section 135 of the Companies Act 2013 is applicable to the Company.

xiv.Details of Crypto Currency or Virtual Currency

The Company has not traded or invested in Crypto currency or Virtual Currency during the year ended March 31, 2026.

21 Financial risk management objectives and policies

The main risks arising from Company's use of financial instruments are liquidity risk, credit risk and foreign exchange risk. The Company does not hold or issue derivative financial instruments for trading purposes or in the risk management activities. Policies for managing these risks are summarized below.

Liquidity risk

Liquidity risk is the risk that the Company will not meet future financial obligations due to a shortage of funds. The Company's financing activities are managed centrally by maintaining an adequate level of cash and cash equivalents to finance the Company's operations. The Company's surplus funds are also managed centrally by placing them with reputable financial institutions on varying maturities. The Company does not use derivatives and other instruments in its risk management activities.

The table below separates the Company's financial assets and liabilities into relevant maturity groupings based on their contractual maturities. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

Credit risk

Credit risk arises from cash and cash equivalents, investments, trade receivables and other financial assets. The Company estimates losses on receivables based on expected losses, including historical experience of actual losses.

There are no significant concentrations of credit risk, whether through exposure to individual customers and/or specific industry sectors. As at March 31, 2024 and 2023 no material financial assets were past due or impaired. The Company only deposits cash with major banks with high quality credit standing and limits exposure to any one counter-party.

Foreign exchange risk:

There are no Foreign Exchange Risk as there are no revenues or expenses in foreign currency.

22 Capital management

The Company considers share capital and all other equity reserves as capital. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the Company's needs.

23 FINANCIAL INSTRUMENTS

The classification of each category of financial instruments and their carrying amounts are as below:

(Rs. in '000)

	As at March 31, 2026			As at March 31, 2025

	1,856.17	-	1,856.17	19,049.54	-	19,049.54

ELIXIR WEALTH MANAGEMENT PRIVATE LIMITED

Fair value of financial assets and liabilities measured at amortised cost are as below:

(Rs. in '000)

	As at March 31, 2026		As at March 31, 2025	
	Carrying value	Fair value	Carrying value	Fair value
Financial assets				
Non current				
Investments	-	-	-	-
Current				
Cash and cash equivalents	0.95	0.95	0.95	0.95
Bank balances other than above	-	-	-	-
Investments	105,143.98	105,143.98	53,353.71	53,353.71
Advances	12,441.68	12,441.68	-	-
	117,586.61	117,586.61	53,354.66	53,354.66
Financial liabilities				
Current				
Trade payables	21.25	21.25	21.25	21.25
Others	1,834.92	1,834.92	19,028.29	19,028.29
	1,856.17	1,856.17	19,049.54	19,049.54

The carrying amounts of current financial assets and current financial liabilities are considered to be the same as their fair values, due to short-term nature.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The fair values of long term loans, security deposits and investments were calculated based on cash flows discounted using as current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.

As the borrowings of the Company are on floating rates the carrying value of the borrowing is equal to fair value. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs including own credit risk.

In case of non current assets, due to non materiality, the Company has shown the investments at its carrying cost.

For non current items, the difference between the fair value and carrying amount is not material. Accordingly, carrying value has been taken as fair value for such items.

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

The Independent Auditors' Report

To the Members of

Dipan Mehta Commodities Private Limited

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **Dipan Mehta Commodities Private Limited** ("**the Company**"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit & Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, **the profit** and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material Misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we further report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account;
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

- e) On the basis of written representations received from the directors as on March 31, 2026, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure A** to this report;
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position; as such the question of commenting on disclosing impact of any such litigation in its Standalone Financial Statements does not arise;
 - ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii. There was no amount due to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.
- iv. a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries")
 - or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c) Based on such audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause a) and b) contain any material mis-statement.

v. The The company has not declared or paid any dividend during the year.

vi. Based on our examination which included test checks, the company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

Annexure - A to Independent Auditors' Report

Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Dipan Mehta Commodities Private Limited ("the Company") of even date.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls over financial reporting of **Dipan Mehta Commodities Private Limited ("the Company")** as of 31 March, 2026 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies' Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Annexure - B to the Independent Auditors' Report

Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Dipan Mehta Commodities Private Limited ("the Company") of even date.

- (i) a) The Company neither holds any Property, Plant and Equipment nor has any intangible asset. Therefore, the provisions of Clauses (i) (a) (A) and (i) (a) (B) of paragraph 3 of the Order are not applicable to the Company.
- b) In view of the Company having no Property, Plant and Equipment and intangible asset, the provisions of sub-clauses (b) (c) and (d) of Clause (i) of paragraph 3 of the Order are not applicable to the Company.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventories include shares and securities which have been physically verified by the management at reasonable intervals during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by the management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate of inventory.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company, during any point of time of the year, has not taken any working capital limits/facilities from banks or financial institutes on the basis of security of current assets. Therefore, the provisions of Clause (ii)(b) of paragraph 3 of the Order are not applicable to the Company.
- (iii) As per the information and explanations given to us and records produced to us for our verification, during the year, the Company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Therefore, the provisions of clause 3(iii) of the said Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us the Company has complied with the provisions of sections 185 and 186 of the Act, with respect to the loans, investments and guarantees made.
- (v) The Company has not accepted any deposits from the public within the meaning of the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act and the rules framed there under.
- (vi) The maintenance of cost records sub-section (1) of section 148 of the Companies Act, 2013 is not applicable to the Company.

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

- (vii) (a) In our opinion and according to the information and explanations given to us, the Company is generally regular in depositing undisputed statutory dues including Employees State Insurance, Provident Fund, Professional Tax, Income Tax, Goods And Service Tax, Customs Duty, Cess and other statutory dues with appropriate authorities to the extent applicable to it. There are no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Taxes, Wealth Tax Customs Duty, Cess and other material statutory dues were in arrears as at 31 March, 2026 for a period of more than six months from the date they become payable.
- (b) According to the information and explanations given to us, there are not any statutory dues referred in sub-clause (a) which have not been deposited on account of dispute. Therefore, the provisions of Clause (vii)(b) of paragraph 3 of the Order are not applicable to the Company.
- (viii) In our opinion and according to the information and explanations given to us, there is no any transaction not recorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- (ix) In our opinion, according to the information and explanations given to us, and records produced to us for our verification, the Company has not taken any loan or other borrowings during the year and therefore the Clauses (ix)(a) to (ix)(f) of paragraph 3 of the Order are not applicable to the Company.
- (x) (a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments). Therefore, the provisions of Clause (x)(a) of paragraph 3 of the Order are not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us, the Company has not made preferential allotment or private placement of shares during the year and the requirements of section 42 and section 62 of the Companies Act, 2013 have been complied with and the funds raised have been used for the purposes for which the funds were raised.
- (xi) (a) We have not noticed any case of fraud by the Company or any fraud on the Company by its officers or employees during the year. The management has also not reported any case of fraud during the year.
- (b) During the year no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As auditor, we did not receive any whistle- blower complaint during the year.
- (xii) The Company is not a Nidhi Company. Therefore the provisions of clause 3(xii) of the Order are not applicable to the Company.
- (xiii) As per the information and explanations received to us all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act where applicable, and the details have been disclosed in the financial statements, etc., as required by the applicable accounting standards. Identification of related parties were made and provided by the management of the Company.

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

- (xiv) The Company is not covered by section 138 of the Companies Act, 2013, related to appointment of internal auditor of the Company. Therefore, the Company is not required to appoint any internal auditor. Therefore, the provisions of Clause (xiv) of paragraph 3 of the Order are not applicable to the Company.
- (xv) The Company has not entered into any non-cash transactions with directors or persons connected with him for the year under review. Therefore, the provisions of Clause (xv) of paragraph 3 of the Order are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities during the year.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
- (d) As per the information and explanations received, the group does not have any CIC as part of the group.
- (xvii) The Company has not incurred cash loss in current financial year as well as in immediately preceding financial year.
- (xviii) There has been no resignation of previous statutory auditors during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) There is no liability of the Company under the provisions of section 135 of the Companies Act, relating to Corporate Social Responsibility. Therefore, the provisions of Clause (xx) of paragraph 3 of the Order are not applicable to the Company.

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

NOTES ON STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2026.

Note 1

CORPORATE INFORMATION

Dipan Mehta Commodities Private Limited ('the Company') is a entity incorporated in India. The registered office/corporate office of the Company is located at 58 Mittal Chambers, 5th Floor 228 Nariman Point Mumbai – 400021. India.

The Company is engaged in the business of investing in shares & securities and of providing services of capital market research and analysis.

Note 2

BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS).

The financial statements have been prepared on a historical cost basis, except certain assets and liabilities, which are measured at fair value/amortised cost.

The financial statements are presented in Indian Rupees (₹), which is the Company's functional and presentation currency and all values are rounded to the nearest thousand with two decimal, except when otherwise indicated.

Note 2.1

SUMMARY OF SIGNIFICANT ACCOUNTING POLICES

(a) Property, plant and equipment

Property, plant and equipment are carried at cost of acquisition or construction, net of Cenvat/Value added tax less accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price, borrowing cost and any cost directly attributable to the bringing the assets to its working condition for its intended use.

Depreciation on the property, plant and equipment is provided using straight line method over the useful life of assets as specified in schedule II to the Companies Act, 2013. Depreciation on property, plant and equipment which are added during the year, is provided on pro-rata basis succeeding to the month of addition. Freehold land is not depreciated.

The assets 'residual values, useful lives and method of depreciation are reviewed at each financial year end and are adjusted prospectively, if appropriate.

Capital work-in-progress includes cost of property, plant and equipment under installation as at the balance sheet date.

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

Property, plant and equipment are eliminated from financial statement, either on disposal or when retired from active use. Profits/losses arising in the case of retirement/ disposal of property, plant and equipment are recognized in the statement of profit and loss in the year of occurrence.

Leasehold lands are amortised over the period of lease. Buildings constructed on leasehold land are depreciated based on the useful life specified in schedule II to the Companies Act, 2013, where the lease period of land is beyond the life of the building. In other cases, buildings constructed on leasehold lands are amortised over the primary lease period of the lands.

(b) Intangible Assets

Intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the intangible assets.

Identifiable intangible assets are recognized when it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be reliably measured.

Computer software are capitalized at the amounts paid to acquire the respective license for use and are amortised over the period of useful lives or period of three years, whichever is less. The assets useful lives are reviewed at each financial year end.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognized.

(c) Inventories:

Inventories of the Company consists of Shares and Securities and are measured at lower of cost and net realisable market value.

(d) Employee Benefits Expense

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services

Post- Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

Fund and Pension Scheme. The Company's contribution is recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

(e) Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax authorities, based on tax rates and laws that are enacted at the Balance sheet date.

ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

(f) Revenue Recognition

Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.

Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed.

Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Interest Income

Interest Income from a financial asset is recognized using effective interest rate method.

Dividend

Revenue is recognised when the Company's right to receive the payment has been established.

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

(g) Earning per share

Basic earnings per share is computed using the net profit for the year attributable to the shareholders and weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholder and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

(h) Current and Non-current classification

The Company presents assets and liabilities in statement of financial position based on current/non-current classification.

The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

An asset is classified as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle.
- b) Held primarily for the purpose of trading.
- c) Expected to be realized within twelve months after the reporting period, or

All other assets are classified as non-current.

A liability is classified as current when it is:

- a) Expected to be settled in normal operating cycle,
- b) Held primarily for the purpose of trading,
- c) Due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has identified twelve months as its normal operating cycle.

(i) Provisions, Contingent Liabilities, Contingent Assets and Commitments:

Provisions are recognised when the Company has a present obligation (legal or Constructive) as a result of a past

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

even. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognized in the statement of profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognized. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognized as an asset.

(j) Dividend Distribution:

Annual dividend distribution to the shareholders is recognized as a liability in the period in which the dividends are approved by the shareholders. Dividend payable and corresponding tax on dividend distribution is recognized directly in other equity.

(k) Financial Instruments

i) Financial Assets

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement

a) Financial assets measured at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets as fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

C. Investment in subsidiaries, associates and joint ventures

The Company has accounted for its investments in subsidiaries, associates and joint venture at cost.

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

ii) Financial Liabilities

A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Note 2.2

SIGNIFICANT ACCOUNTING JUDGMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the Company's financial statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a) Depreciation / amortisation and useful lives of property plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

b) Recoverability of trade receivables

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

c) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

d) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

e) Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

xiv. Details of Crypto Currency or Virtual Currency

The Company has not traded or invested in Crypto currency or Virtual Currency during the year ended March 31, 2026.

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

22 Financial risk management objectives and policies

The main risks arising from Company's use of financial instruments are liquidity risk, credit risk and foreign exchange risk. The Company does not hold or issue derivative financial instruments for trading purposes or in the risk management activities. Policies for managing these risks are summarized below.

Liquidity risk

Liquidity risk is the risk that the Company will not meet future financial obligations due to a shortage of funds. The Company's financing activities are managed centrally by maintaining an adequate level of cash and cash equivalents to finance the Company's operations. The Company's surplus funds are also managed centrally by placing them with reputable financial institutions on varying maturities. The Company does not use derivatives and other instruments in its risk management activities.

The table below separates the Company's financial assets and liabilities into relevant maturity groupings based on their contractual maturities. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Credit risk

Credit risk arises from cash and cash equivalents, investments, trade receivables and other financial assets. The Company estimates losses on receivables based on expected losses, including historical experience of actual losses.

There are no significant concentrations of credit risk, whether through exposure to individual customers and/or specific industry sectors. As at March 31, 2024 and 2023 no material financial assets were past due or impaired. The Company only deposits cash with major banks with high quality credit standing and limits exposure to any one counter-party.

Foreign exchange risk:

There are no Foreign Exchange Risk as there are no revenues or expenses in foreign currency.

23 Capital management

The Company considers share capital and all other equity reserves as capital. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the Company's needs.

DIPAN MEHTA COMMODITIES PRIVATE LIMITED

The carrying amounts of current financial assets and current financial liabilities are considered to be the same as their fair values, due to short-term nature.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The fair values of long term loans, security deposits and investments were calculated based on cash flows discounted using as current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.

As the borrowings of the Company are on floating rates the carrying value of the borrowing is equal to fair value. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs including own credit risk.

In case of non current assets, due to non materiality, the Company has shown the investments at its carrying cost.

For non current items, the difference between the fair value and carrying amount is not material. Accordingly, carrying value has been taken as fair value for such items.
